William V.S. Tubman University (TU) invites nominations and applications for its next President.

ABOUT WILLIAM V.S. TUBMAN UNIVERSITY:

Located in Southeastern Liberia, Tubman University was created by an Act of the National Legislature which was signed into law by Her Excellency Ellen Johnson-Sirleaf, President of the Republic of Liberia on September 14, 2009. TU opened its doors on the same day with an enrollment of 287 eager students yearning to take advantage of the opportunity to advance themselves. TU is the only institution offering a full four year degree program within Southeastern Liberia. The University currently has an enrollment of 860 regular students, and 158 in its Access to College Program, with 83% of its student population from southeast Liberia.

Under the inaugural and skillful leadership of Tubman University's first president, Elizabeth Davis-Russell, EdD, PhD, TU quickly crafted its identity, and manner of operating defining its mission and vision statements, core values, and principles of operations. With its motto of "Transformation for Worthy Service", TU's mission is to provide quality educational experiences that transform the lives of individuals for worthy service. TU aspires to do so with quality and excellence.
